Black Friday 2026 Espresso Cheat Sheet: Buy Now or Wait?

Black Friday is Friday, Nov 27, 2026; Cyber Monday is Monday, Nov 30. Each call below is how the model (or brand) was priced over the 2025 holidays, as reported by the named source. It is a past pattern, not a forecast.

Breville Bambino: Leaning wait

List price $299.95, checked Oct 17, 2026. Last year the Bambino was reported at $249.95 against a $299.95 list price over the Black Friday to Cyber Monday weekend. If that pattern repeats, waiting for Nov 27 to 30 may save money, but there is no promise it will.

Breville Barista Express: Leaning wait

List price $699.95, checked Oct 17, 2026. Last year the Barista Express was reported at $499.95 against a $699.95 list price during Black Friday and Cyber Monday. A repeat is not certain, but it is the strongest past discount among the three Breville models here.

Breville Barista Pro: Leaning wait

List price $849.95, checked Oct 17, 2026. One 2025 deal roundup listed the Barista Pro at 20% off during Black Friday week, without a dollar price. Breville did discount several machines last year, so waiting is reasonable if you can.
